Sir:

This application was filed on July 13, 2006 as a national phase application of PCT/DK2005/000099, which was filed on February 16, 2005.

The filing receipt mailed July 29, 2008 contains an incorrect filing date of the PCT application in the domestic priority data. Specifically, the filing receipt provides that the PCT application was filed in 2006 instead of 2005.

Applicants therefore request the issuance of a corrected filing receipt with the correct filing date of the PCT application in the domestic priority data.

Applicants submit that this date was a misspelling on their part. If any fees are due, please charge deposit account no. 50-1701 of Novozymes North America Inc.

Respectfully submitted,

Date: August 17, 2009
